BACK TO SCHOOL

ARE YOU READY *for* an ONLINE CLASS?

Make a study space for yourself at home. This will help you stay organized and focused.

Keep track of your classes and tasks. Use your planner to help with due dates and your assignments.

Use your time wisely. Plan when you can complete assignments. Time yourself if you need to.

Take breaks and go outside if you are able. This helps you keep a healthy attitude.

Communication is important. Check in daily to your Homeroom teacher's class on Edsby. This will be your attendance. Check your Edsby at least twice per day. Ask your teachers for help. We are here for you and will help you succeed. Contact us through Edsby if you have questions.
