Dear Parent,

TCMS does not participate in the Federal free and reduced lunch program with Hillsborough County Schools. However, TCMS does offer to qualified households the opportunity to receive free lunch for their student(s). Since TCMS does not receive reimbursement from the federal free lunch program families must provide proof of income to participate in the program. An application should be filled out for each student but only one copy of proof of income is required.

Students who qualify for the TCMS Free Lunch Program order lunch using the same program as the rest of the student population. The student is limited on the quantity of food he/she may order. Details will be given upon approval. It is the student's responsibility to order lunch each month. If a lunch order is not placed for a student who is participating in the free lunch program by the due date the Café Manager will complete a lunch order for that student; this order will be revised. The TCMS Free Lunch Program does not provide students with drinks.

Any student who qualifies for the TCMS Free Lunch Program will be provided a brown bag lunch and drink for field trips which require lunch.

Once received applications take 2 business days for approval. It is the parent's responsibility to provide lunch for their child during this time. Once approved the student will begin receiving lunch the following Monday.

If you have any questions regarding the application or the TCMS Free Lunch Program please feel free to contact me at (813)450-1385 .

Sincerely,

Carelia Subero
TCMS Café Manager
