

1. Connecting Your Google Drive

Open User Settings

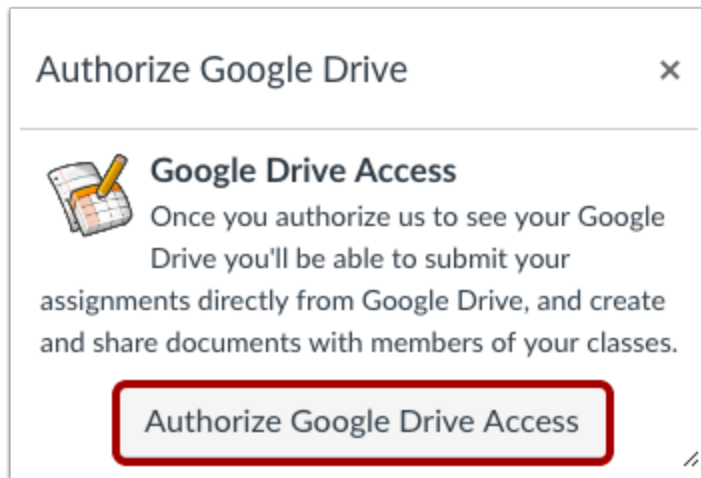

Register Google Drive

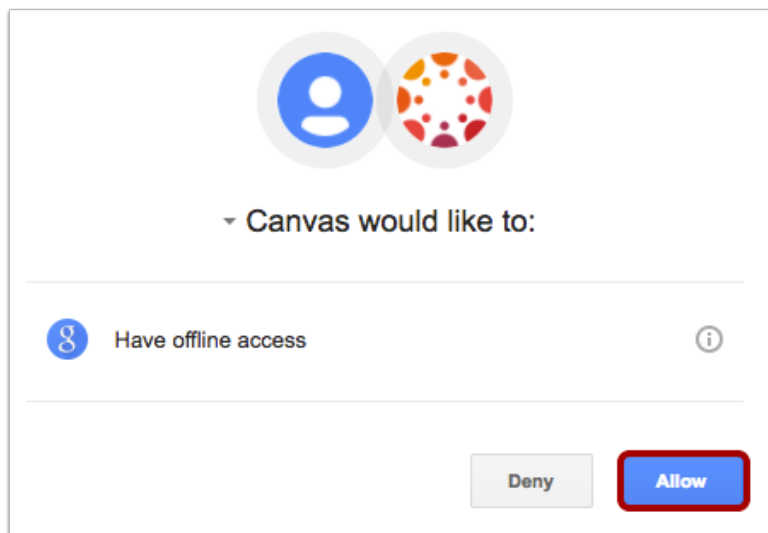

Click the **Google Drive** button.

Authorize Google Drive

Click the **Authorize Google Drive Access** button. You will be re-directed to Google to verify the authorization.

Accept Authorization

Canvas will ask permission to view and manage the files in your Google Drive account. Click the **Accept** button.

Note: You may be asked to log in to your Google account before viewing this page.

QR for Mobile Login

QR for Mobile Login

To log in to your Canvas account when you're on the go, scan this QR code from any Canvas mobile app.

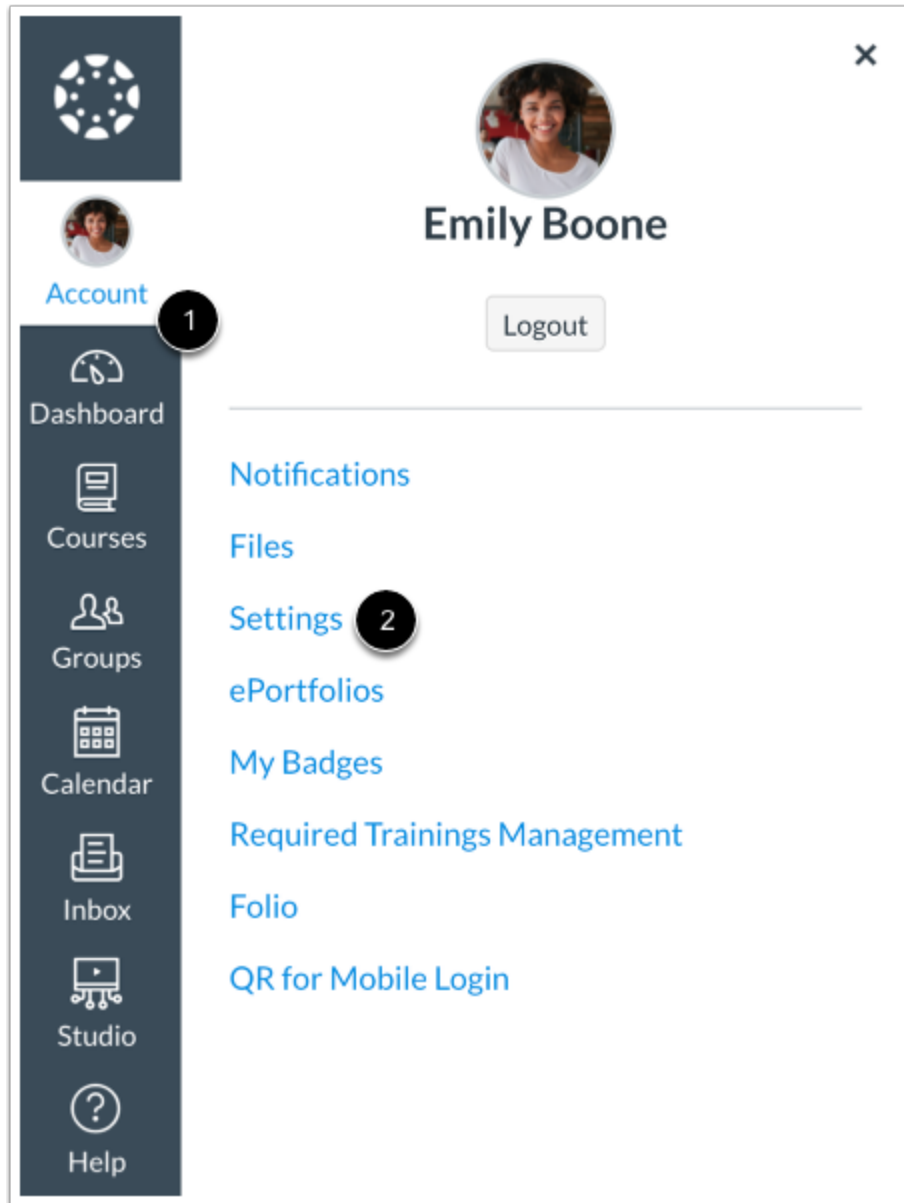

This code expires in 10 minutes.

View your QR code. The QR code can be scanned from the login page of the Student app from an [Android device](#) or an [iOS device](#).

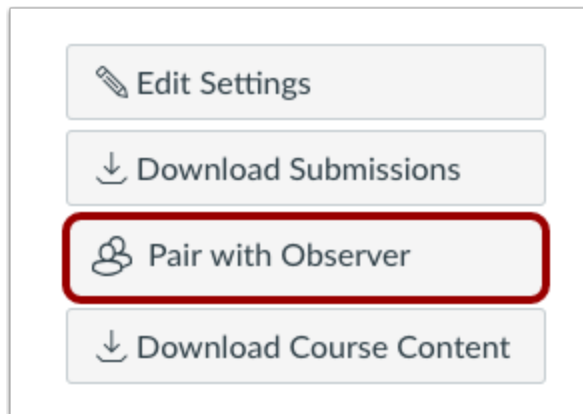

Note: Mobile login QR codes expire 10 minutes after they are generated.

3.0 How do I generate a pairing code for an observer (parent/guardian) as a student?

Open Settings

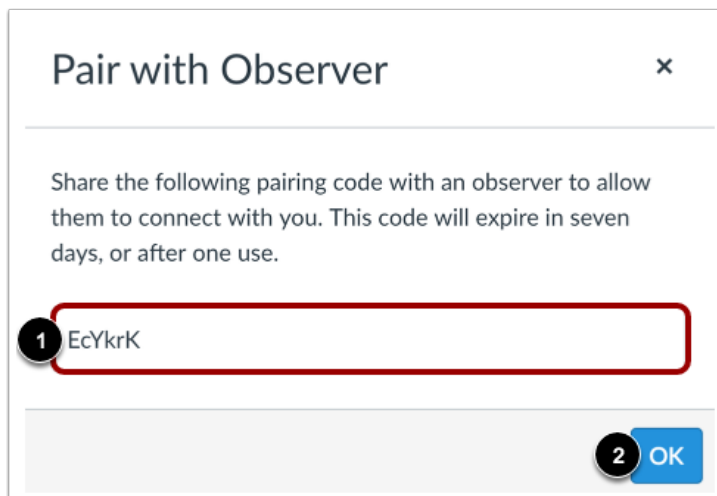

Pair with Observer

Click the **Pair with Observer** button.

Copy Pairing Code

Copy the six-digit alphanumeric pairing code [1]. You will need to share the code with the observer who will link to your account. The pairing code will expire after seven days or its first use.

To close the window, click the **OK** button [2].

Note: Pairing codes are case sensitive.
